

## Project—Animals

This term, the children are looking at the topic of animals. They are learning about:

- \* Dangerous animals
- \* Farm animals
- \* Habitats
- \* Adaptations
- \* Classification and animal groups
- \* Conservation
- \* Working animals

## Devotions

Each day, the children will take part in the following activities

- \* Monday-Working through a set of XTB Children's Bible reading notes
- \* Tuesday-Learning about the Fruit of the Spirit
- \* Wednesday-Praise and Worship through music
- \* Thursday-Extended prayer time and learning a memory verse
- \* Friday-Learning about a historical figure and making a craft

## Foundation Subjects

This term, the children are learning about:

- \* Music—Carnival of the Animals, listening to and responding to music
- \* Art—Study of Autumn leaves and sketching
- \* P.E—Ball skills and ball games
- \* I.C.T—Coding using Logo software and Scratch software
- \* Design Technology—Creating faces using fabric

## English —Animals

This term, the children are learning about:

- \* Nouns, verbs and adjectives
- \* Story sequencing and story telling
- \* Animal poetry
- \* Story writing
- \* Letter writing
- \* Speech writing

The children will also work through weekly spellings, focusing on a sound from 'Letters and Sounds' phonics scheme and well as 15 minute sessions on punctuation and grammar.

**Class  
6  
(Years 1  
and 2)  
Autumn  
Term**

## Maths —Animals

This term, the children are learning about:

- \* Counting on using a number line
- \* Telling the time to 15 minutes
- \* Carrying on number patterns
- \* Properties of 2D and 3D shapes
- \* Addition and subtraction using number bonds
- \* Coin recognition and calculating change total

The children will look at a new story book every two weeks that will underpin much of the work they do in their Maths and English lessons.
